- Location and Agenda

- 07 Annual Users Meeting

- Date and competing meetings
- Organization

Open Forum in Nashville

- Date: Thursday, Oct. 26th, 5:30 -7:30 p.m.

- (DNP Meeting, Oct.25-28)

- Location: Gaylord Opryland Resort, Nashville, TN

- Room: Hermitage B

- Agenda:

- Mike Holland, Energy Subcommittee,

- U.S. House of Representatives will speak on:

- An Update from Congress on Issues Affecting
Nuclear Physics Research

Plans for 07 Annual Users Meeting (I)

- Proposed dates for 2007 Users Meeting: June 19-22 (Tu-Fr)
- Competing conference in June 07:
 - Gordon Nucl.Chem.: June 3-8
 - INPC 07 (in Japan): June 3-8

Plans for 07 Annual Users Meeting (II)

- Topical Workshops on Tu/We, but more focussed than last time, i.e. limit the number of workshops, propose topics. Last time we had 10 workshops on three days (Mo/Tu/We) Maximum should be 6 workshops.
- Plenary on Th/Fr

Plans for 07 Annual Users Meeting (III)

- Possible workshop topics:

- Last year: helicity structure, em & low mass dileptons, high μ to high energy, quarkonium, hadronization, transverse spin, quarkonium, energy scan, hydrodynamics, hard probes & bulk, storage rings
- Let's wait for QM before proposing topics

- Proposed UEC member organizing committee:

- Rene & Abhay (workshop coordinators),
- Christine & Sarah (poster session coordinators)
